

Report of the Nominating Committee

Submitted by Ken Friesen, Board Chair

October 21, 2020

On behalf of the Nominating Committee I would like to propose the names of two individuals interested in serving on our Board of Directors for a two year term.

LAURA MALMQUIST

Laura Malmquist is currently completing her BA degree and applied counselling certificate from the University of Manitoba. She currently works as a peer support worker at the Canadian Mental Health Association and as a residential support worker at the Addictions Foundation of Manitoba.

In 2017-2018, she served on the board of directors of the Winnipeg chapter of Mothers Against Drunk Driving (MADD) Canada.

In addition to her interest in joining the board of directors of the John Howard Society, she interested in volunteering in the JHSM's literacy department.

SCOTT STOCKWELL

Scott Stockwell graduated from the University of Winnipeg with a Bachelor of Business Administration in 2010. He then joined PwC (PricewaterhouseCoopers) where he obtained the designation of Chartered Professional Accountant in 2013. Currently Scott is a partner at Redmann Stockwell LLP where his focus is on assisting small businesses with their accounting and tax needs.

Scott is active in our community and has volunteered for several organizations. For example, he has volunteered with the Manitoba Marathon handing out water to thirsty runners, and volunteered at the Addictions Foundation of Manitoba serving as the treasurer and the chair of the audit committee.

Scott was raised in Winnipeg along with his twin brother and older sister. He is married to Justine, a French immersion teacher. Scott and Justine are the proud parents of 2-year-old Frédèrick. In his leisure time, you will find Scott spending time with Justine and Frédèrick at the park, on a walk, or swimming at the lake.
